SENIOR CLASS HISTORY

Thirty-three bright and smiling countenances, ready and eager for the first year of our high school career to begin, were peering over the tops of the large assembly seats in the old school building. We were far too excited and wide-eyed to chatter much, so Mr. Huebner, who was chosen as our class sponsor, really had an "easy" time with us. During the first few weeks of school the class offices were entrusted to the following students: Doris Wice, president; Wilbert Dierksheide-vice-president; Helen Heckman as secretary; and Theodore Titgemeyer as treasurer.

We held a "get acquainted" weiner roast along the banks of the Portage river. We found that we had a very congenial group of boys and girls, and this fact was

proved because many of our students participated in the inter-class tournament, the music festival, the glee clubs, and the orchestra. We made our first money by entering the magazine campaign, and by presenting the play "Rooting for Ruth," which showed that we had dramatic ability and that the school could expect something from us.

At the end of the first semester of our freshman year, all the students were transferred to the new school building, making our class the first to have spent both their freshman and senior years in this new building.

So we were a proud group of sophomores who started to school the fall of 1937. Virginia Schultt was elected president; Irene Abke, vice-president; Marilyn Bockbrader, secretary; Robert Bushman, treasurer; and Doris Wico, class reporter.

Once again we proved to be an active and ambitious group. We held several class parties, we took part in the operetta, and we replenished our treasury by sponsoring a skating party at Forest Park. Many of our members were in the band and orchestra. We also aided the Juniors by being waiters at the Junior-Senior reception.

We started our Junior year with Robert Alexander, president; Irene Abke, vice president; Martha Ullom, secretary; Helen Heckman, treasurer; and Doris Wico, student council.

Nine students from North Troy joined our group. And with the return of a former member, Martha Ullom, and the arrival of James Alexander, we had the largest class of the school--42 members.

We elected an entertainment committee for the purpose of directing our project of raising \$800.00 by the end of our senior year. We are planning a trip through the East. Virginia Schultt and Robert Driftmyer were placed at the head of this committee.

It was necessary to settle down to the task of being dignified, hard-working juniors. We started our routine of activities by sponsoring a roller skating party for the entire school at Forest Park. This was followed

by a weiner roast held in Robert Driftmyer's woods. We increased our banking account by our magazine sales and the presentation of the movie "Let's Sing Again."

The order for our class rings came through a few weeks before Christmas, so we all had a grand time displaying our early Christmas presents.

Following the holidays, we sponsored another movie "Silks and Saddles." Then the Junior class play "Be Yourself" was next in order. We drew a large and appreciative audience, which repaid the students and teachers for the time and patience that were given to make our play such a big success.

Two more sources of money (which we were sadly in need of because our treasury seemed comparatively low) were: selling of candy and pop corn, and the sponsoring of another roller skating party at Forest Park.

The sweetest yet saddest event of the year's social activities was the Junior-Senior reception. Everyone remembers this evening as one that is filled with many happy memories. The Alumni banquet was served by the juniors. They also served the Base Ball Boys' banquet. This was the largest dinner served thus far in the new school building.

Ready, willing, and able,--thirty-eight Seniors! James Alexander, president; Irene Abke, vice president; Avis Brentlinger, secretary; Kenneth Aring, treasurer.

This, our last and fullest year, is filled with many outstanding events. We raised money by selling candy and popcorn, participating in the magazine campaign, serving the cattle feeders banquet, sponsoring the movie, "Romance of the Limberlost," selling of the schedule pencils, sponsoring two skating parties at the "Pastime" in Perysburg, serving the firemen's banquet, promoting a bake sale, and also by giving the senior class play, "Almost Eighteen."

What is it that every senior has taken from him at the Livingston studios? You've guessed it, and we might mention that many of these portraits could have easily

been mistaken as movie stars. Also at the beginning of this school year we had a class party at the home of Wilbert Dierksheide.

During these four years that we have spent in high school, we have really enjoyed them to their utmost. And we wish to express our sincere and heart-felt gratitude to Mr. Huebner for bearing with us and guiding us through many difficulties, and to our teachers, fellow classmates, and parents for their part in filling our high school days with so many happy memories.

SENIOR LAST WILL AND TESTAMENT

We, the Senior Class of 1940, of the city of Pemberville, Commonwealth of Ohio, being of sound mental health, do make, publish, and declare this our last will and testament in manner and forms as follows:

Irene Abke, my loss in weight and gray hairs from annual worries to next year's editor, Arvella Stein.

James Alexander, my "Einstein Theories" to Fred Meuser.

Robert Alexander, my ability to talk on subjects of which I know nothing about to Lois Kemner.

Kenneth Aring, my "Dizzy Dean" pitching ability to Franklin Titkemeier.

Lois Armstrong, my jewel boyfriend to anyone who craves such an ornament.

Virgil Bauman, my school skipping ability to Leland Aring.

Marilyn Bockbrader, my vanity case and curlers to Tom Bowlus.

Avis Brentlinger, my frequent smiles to Irene Rolf.

←===== PEMBERETTE, 1940 =====→

Ruth Bulen, my history discussion of current topics to Betty Elliott.

Marjorie Bursiek, my executive ability and selling complex to Robert Speck.

Robert Driftmyer, my four years of bluffing to Charles Eisenhower.

Mary Ellis, my reading monopoly on good novels to Mabel Dennis.

Howard Ernsthause, my long legs to George Small.

Owen Ernsthause, my continuous search for more girl friends to Lewis Wegman.

Esmeralda Gottschalk, my basketball ability to Joan Jenkins.

Marion Gruelick, my spendthrift attitude to James Briggs.

Glenn Grover, has decided not to will her away.

Laurene Hagemeyer, my demureness to Maxine Rhoda.

Helen Heckman, my golden blonde hair and bursts of enthusiasm to Florabelle Franz.

Paul Henline, my daydreaming to Harold Hagemeyer.

Lois Hummel, my "hot" dance steps to Phyllis Poggemeyer.

Irene Hurdelbrink, my "La petite fille Francaise" attitudes to Gloria Van Camp.

Loota Le Bay, my studiousness to Donald Bahnson.

Arlone Lenz, my generous nature to Wilfred Heermier for cold storage.

Paul McCamey, my "wrong way" Corrigan shots to Harold Martin.

← PEMBERETTE, 1940 →

Lois Oehmke, my unusual ability to boil water without burning it to Norma Snyder who is also a good cook.

Mary Plowright, my much discussed giggles to Dick Robinson.

Harold Rahe, my "sales talks" to next year's candy salesman.

Velma Sander, my industriousness to Rosemary Altwies.

Emerson Schroeder, my dark wavy hair to Harley Fahle.

Virginia Schultt, my ability to take shorthand to Ruth Peoples.

Ruth Sieving, my kissproof lipstick to Ruth Burkmeyer who probably needs it too.

Eloise Taulker, my quiet ways to Lorna Wice.

Theodore Titgemeyer, my professor characteristics to Paul Aufderstrasse.

Martha Ullom, the jazz queen, my talents to "swing it" to Doris Rhoda.

James Warns, my nickname of "Frog" to Billy Egbert.

Ada Waterman, my gum chewing ability to Annabelle Sweet.

Doris Wice, my beloved "peck" horn to anyone who will polish it daily.

To the Freshman class, we will our confident manner.

To the Sophomore class, our knowledge of getting a lot accomplished with a little work.

To the Junior class, our honored position of Seniors.

To the faculty, all paper wads, rubber bands, and anything we have forgotten which may be of use to them.

◀—————>>>> PEMBERETTE, 1940 <<<<▶

We hereby appoint Mr. U. R. M. T. as executor of this will.

CLASS PROPHECY

CENTRAL: Number, please

IRENE: P. H. S. 1950 please

CENTRAL: Thank you

DORIS: John Hopkins Hospital

IRENE: United Airlines calling for complete information concerning the condition of aviator Virgil Bauman who crashed on July 24.

DORIS: We will send the papers with complete information immediately. I, as a nurse in this hospital, am personally interested in this case because I graduated with him from Pemberville High School in 1940. He certainly must have been a gallant hero.

IRENE: Well of all things, could this possibly be Doris Wice speaking?

DORIS: Yes, it is, but who is speaking to me?

IRENE: Remember me, Irene Abke, a member of that same graduating class, and am now employed as stewardess on United Airlines. Speaking of strange coin-

cidents, did you know that Virginia Schultt is also employed as private stenographer for Robert Driftmyer, the President of the Airlines? It's quite a complicated problem, this secretary, boss, and wife business.

DORIS: Gee, and did you know there are several members from our class in my territory too? Lois Armstrong is now head nurse in the surgical department and is she a certain surgeon's favorite! And every week I visit that swanky beauty parlor which Lois and Esmarelda operate together. Lois told me the other day that Ezzy, as we used to call her, has a tall, blond and handsome Romeo on the string, but I guess Lois is still sticking with her dear old Dick.

IRENE: Well, talk about news, just listen while I give you a shock or two. I read in a recent N. Y. gazette that Paul Henline is getting all the breaks on Wall Street. You know, he's one of these millionaire farmers who farms with money instead of for money. Then, too, I read where Ted is successfully winning a case for his client, Arlene Lenz, who is suing R. C. A. where she has been employed for several years for \$2,000,000. The last I heard of Glenn Grover and Harold Rahe was that they were both peaceably settled in bungalows built for two, (you know, just he and she). Maybe you have seen Harold who is the strong-built and handsome looking traffic cop on the corner of Times Square. Glenn owns the Grover Lumber Company and "Flossie" is an economical housewife.

DORIS: Well, truth is stranger than fiction! Last summer I met Mary Plowright at Long Island and I asked her just how she had been spending her life. From the conversation, I understood that the small interest which she once had at Locust Point grew to a greater extent and now she even owns her own Yatch. She still keeps in close contact with Avis, who comes often to New York from Hollywood with her famous and talented young actor husband, Gaylord Meredith. I hear that Paul McCamey was in Chicago inspecting the "Zipp" his latest designed train.

You probably remember his "brags" of getting out and seeing the world. And talk about getting places, Leota Le Bay has left for France where they will present her latest masterpiece in the Louvre Museum.

IRENE: I see Marjorie Bursiek quite often; she has been employed as a well-known governess of little Astor. Remember how Marge and Kenneth Aring used to manage businesses at school. Well, they're still at it, for Kenny manages the Astor estate. Martha and Jim are dancing in the Metro-Goldwyn Mayer productions. Remember the Fred Astaire and Ginger Rogers of our time? Well, Martha and Jim are somewhat better.

DORIS: Gee, what an advancement! Oh, yes, and I forgot to tell you that James Warns is that handsome chauffeur who is often seen driving Mrs. Meredith's Rolls Royce. Velma Sander is an efficient secretary who keeps up all the statistics of Henry Ford's Greenfield Village and Laurene Hagemeyer and Marilyn Bockbrader are also secretaries, but they are employed at Marshall Field's store in Chicago, and from what I hear they're really on the good side of their bosses.

IRENE: But doesn't that seem to be a characteristic of secretaries? Robert Alexander is a manager of a Cotton Manufacturing firm and under him are employed several hundred men. To hear them speak you would think that he was the real Hitler himself. Mary Ellis and Ruth Bulen are both beloved teachers in Wellesly College for girls. Mary is teaching commercial art and Ruth is music supervisor. Remember how Mary used to "flare up" when she was drawing and Ruth would come along to play her cello. Howard Ernsthausen and his dear wife are enjoying the high spots of New York right now. I hear Howard is president of the Toledo Electric Welding Corporation.

DORIS: I still know some news, so don't hang up. Ruth Sieving and Eloise Taulker are both in the beauty culture business. Ruth operates her own "Bee Beau-

tiful" beauty salon, while Eloise is in partnership as half owner of the "Antoinne" salon. They surely do a good job of advertising their business. And Emerson Schroeder is a handsome cadet drilling every day. Believe it or not, but the girls just go mad over that uniform. And remember how quiet Irene Hurdlebrink used to be? Well, she's gotten over that since she's become second woman congresslady of United States.

IRENE: Well, truly we've nearly remembered all of them. But there's Helen Heckman who is peaceably settled with her gallant Jimmy O'Neal. He sits at home quite often with the two little "snips," one on each knee. Marion and "Rosie" are also happily situated. They own a large dog kennel and you see them everywhere with one of their blue-ribbon dogs. Ada Waterman is certainly a lady of leisure. She travels from here to England every so often and her work is to bring forth closer relationships between the countries. Then Lois Hummel is chief dress designer in California for all the leading stars, and you know that Martha Ullom's gowns are simply adorable. And last but not least, Owen Ernsthausen is really fulfilling the place of Babe Ruth. He is now the baseball hero of thousands of fans.

DORIS: Well, I always knew that our class members would accomplish a great deal. This has been rather a class reunion for us but I suppose we had better get back to our work. So-long, Pal, and do call again for the air is always full of news.

IRENE: So-long and loads of luck!

OPERATOR: Sorry, but your bill has come to \$50.00.

JUNIOR CLASS HISTORY

On September 13, 1937, our freshman class entered high school with an enrollment of 33 students. Mr. Cummins was our class advisor and Thomas Bowlus was president; Jean Broderson, vice-president; Howard Wiegman, treasurer; and Harley Fahle, secretary.

At the beginning of our Freshman year we had a very enjoyable Halloween Party at the school house. The evening was spent in playing games after which a delicious lunch was served.

During the year our class took part in many activities including a good representation in the glee club and band, also in baseball and basketball.

September 1938 we entered our sophomore year as saucy sophomores, with Mr. Current as our faithful advisor. This year our enrollment was 26. Our class officers for this year were as follows: president, Harold Martin; vice-president, Annabelle Sweet; treasurer, Lorna Wice and secretary, Harley Fahle.

In November our class had a weiner roast at the home of Howard Wiegman, which we all enjoyed very much. Also during this year our class participated in the many extra curricular activities offered.

September, 1939, a very ambitious looking group of students began their Junior year, which by now has proven to be an even more exciting year than the first two.

We have an enrollment of 40 pupils, 12 of whom joined us from North Troy.

The class officers elected for this year are Thomas Bowlus, president; Norma Snyder, vice-president; Richard Robinson, secretary; and Frederick Meuser, treasurer.

The first event was a skating party at Forest Park which added a lot to our class treasury. We also held a bake sale which proved very helpful. The next event was the class play, a grand production, YOU CAN'T TAKE IT WITH YOU, which was given before a very large audience. Among the other events the class sold refreshments at the interclass tournament, and held another skating party at Perrysburg, Ohio. In May the junior and senior reception was held, which to us was one of the greatest of all our activities.

Our class gives their appreciation to our advisor, Mr. Gens, and also the teachers. We can not express how appreciative we are for what Pemberville High School is doing for us. It is our hope that our class will be placed on the honor roll of Pemberville High School.

ANNUAL PROBLEMS

Getting out this annual is no picnic,
If we print jokes, people say we are silly.
If we don't they say we are serious.
If we clip things from other annuals
We are too lazy to write them ourselves.
If we stick close to the job all day
We ought to be on the job in the office.

If we don't print contributions
We don't appreciate true genius;
And if we do print them, the annual is filled with junk.
If we make a change in the other fellow's write-up we
are too critical;
If we don't we are asleep.
Now, like as not, some guy will say,
We swiped this from a magazine.

WE DID!

SOPHOMORES

FRESHMEN

SOPHOMORE CLASS HISTORY

September 8, 1938, twenty-two amateur "greenies" took their places in the front left hand corner of the study hall--their home-room for the year. With Clarence Beckman as president; Leland Aring as vice-president; Beverlee Rice as secretary; and Ralph Krift as treasurer; we started off the new year with a "bang."

The latter part of September we gained a new pupil, Marynell Alexander. However, we lost another, Robin Durst during the second semester.

Our active members participated in many extra curricular activities. The freshman girls won the inter-class tournament. In February we enjoyed a sleigh ride party.

September, 1939! What have we here? Oh, yes! The new sophomores trooping into Room 1, their home-room, with Miss Snyder as sponsor! Flash! Election of officers has taken place, and whom have we for officers? Beverlee Rice--president, James Bursick--vice-president, Clarence Beckman--secretary, and Garold Spicer--treasurer.

At the beginning of the year, we are happy to have three new members in our class: Patricia Robles, from Puerto Rico, Patricia Queer, from North Troy, and Thomas Jay from Toledo.

The last semester we had to have reelection of president and vice-president for our class. Beverlee Rice moved to Columbus, and James Bursick had to take a vacation for the last semester, due to illness. The new officers were: President--Ruth Morris, vice-president--Ralph Krift.

Many of our active members participated in the basket-ball teams, and one had a lead in the operetta "Up In The Air." Our class won the magazine sales contest, too.

We are looking forward to a junior year rich in activities and memories.

FRESHMAN CLASS HISTORY

The officers of the freshman class are as follows: President, Glenn Kohring; vice president, George Small; secretary, Elwood Restemeyer; treasurer, Le Roy Rife; student council, Arlene Sander; annual reporter, Helen Ashman.

There are forty students in our class now. At the beginning of the year there were forty-one. We were sorry to have Mary Yant leave us.

This year several members joined our freshman class from New Rochester. They are Roberta Abke, Johanna Aring, Arleta Seving, Eloise and Wilhelmina Kemner, Paul Sieving, Riva Schroeder, Ruth Heermeier, and Harriet Stockton. Also, Ann Meuser joined us from Pigeon, Michigan.

One day in algebra class, one of the girls had bells on her stockings. It so happened that she had to sharpen her pencil, so she walked back and did it. In doing this she made the whole class laugh at her. The teacher asked whether he should make a remark. The class all said, "Yes." Then the teacher said, "She sounds like a lost lamb."

Early this year, we planned to have a party, but due to various other activities it was postponed. We are still planning to have one.

Our class is well represented in the various extracurricular activities. Three boys, Paul Rothenbuhler, Frederick Wilson, and Lauren Wagner, are on the reserved basketball team. The first two are also on the baseball team.

There are several from our class in Quill Type, Latin Club, Band, and the Glee Clubs.

EIGHTH GRADE HISTORY

The eighth grade is composed of thirty-four members. Three of these are new students. They are Martin Meuser, Blanche Nason, and George Stockton. Thomas Durst, who was with us last year, moved to Columbus, Ohio. Thelma Roe returned to our school at the beginning of the second semester.

Our class sponsor is Miss Roberts. Early in the year we elected our class officers. They are: president, Martin Meuser; vice president, Marilyn Gockerman; secretary, Gregory Sohajda; treasurer, Marcena Becker; student council member, Audrey Bursiek; and news reporter, Geraldine Heller. Red and blue were chosen for our class colors.

We have formed a musical organization of which all the officers but one are eighth graders.

Miss Snyder is sponsor for "Our Gang," an English club. In English class we are allowed to have many spelling bees.

Instead of the customary Hallowe'en party we had a weiner roast at the home of Elizabeth Biddle. After our outdoor meal we played games.

These students had perfect attendance for the first semester: Martin Meuser, Ned Alexander, Paul Rolf, Marilyn Gockerman, Elizabeth Biddle, and Thelma Kirian.

Eighth graders have participated in several chapel programs.

SEVENTH GRADE

The seventh grade entered school with an enrollment of thirty-one pupils. We are very proud of the fact that we are the youngest class in high school.

The class officers are as follows: Shirley Schwan, president; Dale Bruning, vice president; Ruth Hobler, secretary; Richard Raho, treasure; Carsten Wegman, student council; Lavonne Peoples, news reporter. Miss Cochran was chosen as class sponsor.

During the year we had two parties. In the fall a weiner roast was held at Victor Kohring's, which everyone enjoyed. February 14 we had a Valentine party in our class room. Miss Cochran, our faithful class sponsor, was in charge of both parties.

Our class record remained unbroken until the end of the first semester when Richard Rice and Annabelle Carmon left our class which left us with twenty-nine pupils.

GRADE NEWS

The grade children have been very happy this year in their new home, the beautiful grade building, into which they moved when school began in September.

When the building was dedicated November 24, the grade children had a part on the program. These dedicatory ceremonies coming at the time of the year when the grade operetta is usually given, this school activity was dispensed with.

At Christmas time, each grade had a ten cent gift exchange. Miss Wenz, a former Pemberville teacher, entertained us with two marionette plays.

Various home room activities have taken place as special days appeared upon the calender.

JUNIOR QUILL TYPE

The Junior Quill Type began this year with an enrollment of 22 members.

The officers chosen for this year's work are: President-Virginia Schultt; Vice President-Phyllis Pogge-myer; Secretary-Ruth Peoples; Treasurer-Ruth Sieving; Program Chairman-Velma Sander.

The membership of the Quill Type consists of two kinds: active and honorary. The active membership consists of students who are in school and taking a commercial course. Honorary membership includes former members who have graduated under a Commercial Course.

During the course of the School Year various parties were held in connection with the meetings. A Halloween Initiation Party was held at school, a Christmas party at Marjorie Bursiek's, a Valentine party at Arvella Stein's and a May Breakfast was held in May. The parties were greatly enjoyed by all members. However our meetings are not all play, a book, "Manners on Business" by McGibbons was industriously studied by all.

The Commercial Club undertook an important survey that will greatly aid the future members of P.H.S. This survey included questionnaires sent to all Alumni members of P. H. S. from 1934 to 1939.

The Commercial Club was granted one Chapel Program in early spring. For this chapel program a clever little play "Boss vs. Secretary" was given. The play cast was composed of Ruth Morris, Ruth Sieving, Velma Sander, Marjorie Bursiek, and Virginia Schultt. This group and a few others sang a group of songs.

F. F. A.

When school began we entered our new agriculture rooms, consisting of a class room and a shop, and were delighted with our new equipment. Our first decoration for the new room was a banner received for winning second place in the Huron County Dairy Judging Contest.

Soon after school started the Pemberville Vocational Agriculture boys organized an F.F.A. chapter for the present year. The following officers were elected: President Glenn Grover; Vice President, Kenneth Aring; Secretary Wilfred Hiermeyer; Treasurer, Howard Weigman; Reporter, Robert Schade; Farm Watchdog, Leland Aring; Advisor Mr. Mylander.

On October 11, thirteen new members were initiated and given the Green Hand Degree, by the eight old members. Refreshments were served, consisting of cider and doughnuts.

During November the F. F. A. chapter attended a cornpicking demonstration at the Baker farm at Stony Ridge. We were also entered in a cornhusking contest at Oak Harbor, but because of bad weather the contest was called off and we visited a corn-drying station instead.

On November 16 the old Green Hands were raised to the Future Farmer degree by the Lake Twp. F.F.A. Afterward a delicious lunch of hot dogs and cocoa was served.

This year the Pemberville chapter competed with Lake, Bowling Green, and Rising Sun chapters in a post hunt. Lake took the honors with Pemberville ranking second. The three losers gave the winners a banquet which was held at Bowling Green. The basketball tournament which was held after the feed was won by Bowling Green with Pemberville again ranking second.

We expect to take part in the Judging Contest to be held at Columbus this spring and hope to bring back our share of the honors.

FRENCH CLUB

The French Club, sponsored by Miss Snyder, was organized last fall with the following elected as officers: president, Gloria Van Camp; vice-president, Fred Meuser; treasurer, Doris Wice; and secretary, Betty Elliott. Luther Meuser was elected vice-president, but he left for the three C's, October 18, 1939. Fred substituted for him.

The French Club, with the Sophomore History Class, enjoyed a trip to the Toledo Art Museum in the autumn to further our knowledge of paintings. Afterwards we visited the New Cathedral where we really appreciated a fine explanation of the church's wonderful architecture. All in all, we spent a very profitable day at Toledo.

Five members in Miss Snyder's French I class were initiated by the two past years' French Clubs, January 2, 1940. The other seven were initiated "par excellence" at a later date.

The Club enjoyed Hugo's "The Hunchback of Notre Dame" at Toledo in the latter part of January.

DEBATE

Debate is an extra-curricular activity; but it also does much toward helping the student who advocates it. Not only does it help him become a more able public speaker, but also provides for him an excellent opportunity to express his opinions on current subjects.

The question for debate this year is--Resolved: "That the Federal Government Should Own and Operate the Railroads." The affirmative is firmly upheld by Ruth Morris and Joyce Wilcox, with Irene Sander as alternate.

LATIN CLUB

OUR GANG

The negative is ably supported by Irene Abke and Leota Le Bay, with Gloria Van Camp and Annabelle Sweet as alternates. Robert Alexander and Robert Driftmeyer were with us for a part of the season.

Many trips were taken to various libraries for new material. Some of these excursions proved to be very valuable.

Lois Armstrong and Joan Jenkins are our typists.

The one big event of the year for our debate team is the annual meet at Heidelberg College on April 5. Other events of the year were the debate at Fremont High School between Chicago University and Western Reserve, a debate at Findlay, one at Bettsville, and one at Port Clinton.

LATIN CLUB

The S.P.Q.R. Club was organized on December 5 under the leadership of Miss Roberts. The purpose of this club is to promote interest in Latin and to increase the knowledge of the customs and habits of the Roman people. The membership of the club is composed of twenty-four first and second year Latin students.

The club was organized with the following officers: Marynell Alexander, consul; James Bursiek, vice-consul; Genevieve Emch, scribe. The members of the club decided upon royal purple and gold for their colors. The motto chosen by the club is "Optima deligamus" (Let us seek the best.)

Our first meeting was held on December 22. Each member brought an original Latin Christmas card. The meeting was in the form of a Christmas program with a

report of festivities held at that time of year by the Romans. We sang Christmas carols in Latin to end the program.

The second meeting was held on January 31. Each student gave a Latin proverb in answer to the roll call. The Roman calendar was explained during the program. The constitution was read and adopted.

The third meeting was held on February 22. This was a combined patriotic and Valentine program with the study of some of the famous men of Rome. At the close of the program we sang America in Latin.

The club selected a classical pin in the shape of a Roman lamp with an owl protruding from the top. S. P. Q. R. is inscribed on the pin.

At the March meeting there was a discussion of the dress and customs of the Roman people. The life of Julius Caesar was also given.

At the April meeting a group of five students presented the Latin playlet, "What's the Use?"

At the May meeting the year's activities were brought to a close with a banquet in true Roman style with fasces and Latin scrolls as favors and place cards. The colors of the club, royal purple and gold, were used in the decorations for the banquet.

OUR GANG

During our seventh grade year we organized a club with Miss Snyder as our sponsor. The majority of the class joined. Our club was named "The Snappy Sev-onths." We had a very peculiar password which was

"Popocatepetal." We elected the following officers: Marilyn Gockerman, President; John Michel, Vice-president; and Marcena Beeker, Secretary-Treasurer. The program chairman was John Michel. These officers served in their various positions very well. We had programs similar to those of Major Bowes, a taffy pull, spelling bees, and hobby lobby.

This year we kept our same club but changed the name to "Our Gang." We decided on a new password. New officers were elected, too. They are Jerry Coppler, President; John Michel, Vice-president; Marcena Beeker, Secretary; and Dale Bushman, Treasurer. The program chairmen are Marilyn Gockerman and Iona Hodapp. The activities this year as follows: a Christmas Party, a taffy pull, Major Bowes program, a backwards party, and a spelling bee. We chose as our password "Paderiskio." We hope to keep this club all through our happy days at Pemberville High School.

STUDENT COUNCIL

Once more the upper six classes have chosen members from their class to voice their opinions on school matters. They are there just to give ideas of the classes. Purpose of the Student Council is to secure and maintain a more democratic school.

This year they have chosen: senior, Esmoralda Gottschalk; junior, Irene Sander; sophomore, Genevieve Emch; freshman, Arlene Sanders; eighth, Audrey Bursick; seventh, Carson Weigman. The officers for the year 1939-40 are as follows: president, Esmoralda Gottschalk; vice-president, Irene Sanders; secretary, Arlene Sanders. Mr. Ridenour was chosen for the council's adviser.

YOU CAN'T TAKE IT WITH YOU

The Junior play given on, December 5, 1939 was a very interesting adventure in three acts. The members of the cast were:

"You Can't Take It With You" is the record of the Vanderhof family, who believed that life should be lived to the utmost and that money is unimportant. When Alice the only normal member of the family is forced to make a decision between their own eccentricities and the normal life of Tony's parents, Grandpa won't give up his way in life, and finally convinces Mr. Kirby that he is right. After a series of hilarious mishaps, the story ends happily with a marriage scheduled in the near future.

CAST OF CHARACTERS

William Barry, Eddie's dad	Theodore Titgemeyer
Grace Barry, his mother	Arlene Lenz
Beatrice, the daughter	Doris Wice
Mabel Warren, a music teacher	Mary Plowright
Mrs. Granville, of the Woman's Club	Lois Armstrong
Eddie, almost eighteen	Paul McCamey
George, who has a philosophy	Robert Driftmyer
Ann, Eddie's ideal	Helen Heckman
Tommy, a friend of Eddie's	James Alexander
Sally, one of the crowd	Martha Ullom
Mr. Merritt	Robert Alexander
Miss Dalrymple, also a clubwoman	Ruth Bulen

Eddie Barry, who wants to be another Bing Crosby, has written an essay on "Truth" which he enters into a contest under a fictitious name. But through a misunderstanding, another essay which he had copied, was sent in with his name as the author. Discovering this, everyone thinks that Eddie has copied this essay and entered it because he wanted the prize money to attend a summer school in New York. Even Ann Sherman, his ideal, believes that he did it and Beatrice, his sister is afraid that Chet will break their engagement.

Because of Sally Davidson's "puppy love" for Eddie, Ann throws her looks toward Tommy, thereby causing a sad case of jealousy. This adds many amusing scenes throughout the play.

With the return of Uncle George Jones, the mystery is solved. It turns out that Uncle George had sent in the copied essay and signed Eddie's name to it, thinking that he had written it. And to top the excitement, the prize was awarded to the second best essay and this happened to be the one Eddie really wrote, so everything has turned out all right.

JUNIOR-SENIOR RECEPTION

The Junior and Senior reception was held on Friday evening May tenth. The auditorium was converted into an ocean with a large ship at the dock ready to take the ever-ambitious seniors on their life's journey, holding in its sails the sincere wish of good luck to every senior all through his life. The evening was enjoyed by dancing and a program prepared by the juniors.

MUSIC DEPARTMENT

Miss Marie Cochran came to Pemberville High to instruct our Music Department. Enthusiasm for band work, under her instruction, has increased greatly. Many players have reported and enjoyed rehearsals throughout the year.

The band went to Toledo University to participate in a contest held on Homecoming Day. Every member of the band came out with his best cooperation in spite of the rainy weather.

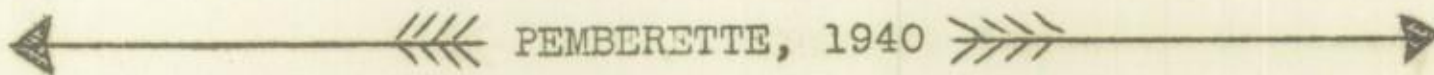

April 26, some members represented our band in the Wood County Music Festival at Bowling Green. A band unit consisting mostly of upper classmen participated in a contest at Toledo University on May 10, 1940.

The band is not the whole music department, we have an excellent group of vocal students as well. The Girls' Glee Club consists of about 75 voices. The Boys' Glee Club is a smaller unit of 35 voices. The Mixed Chorus is an exceptionally large one with more than 100 members.

These vocal units cooperated with each other and presented a hit production on March 29, entitled "Up In the Air." This comedy was one of the modern world.

Franklin Titkemeier and Joan Jenkins played opposite each other with much quality, enthusiasm, and cooperation. Anne Meuser and Lewis Wegman very capably played the couple whose happiness depended upon an aviation career. Others participating as principal characters were Martha Ullom, Doris Rhoda, Donald Bahnsen, Lois Kemner, Howard Wegman, Genevieve Emch, and Robert Alexander,

This year's music department has been one to be remembered. The students enrolled have received much

training and have acquired knowledge that will be helpful to them in later years. They will find much enjoyment in music and will probably make a hobby of it.

The vocal and band students wish to thank Miss Cochran for directing such a worthwhile year in our music department. Our school and community should be proud of these activities.

"THE PEMBERETTE"

If you want a school annual
One strictly up-to-date
The "Pemberette" is the book
That every one should take.

It gives the latest news of interest
In a style that's most correct,
Never printing any matter to which
The fastidious could object.

The "Pemberette" is the book
In which to advertise,
And business will increase so quick
It will your friends surprise.

A trial will convince you,
It's the proper thing to do,
An advertisement in this book
Will prove what we say is true.

BOYS' BASKETBALL, 1939-1940

It looked pretty dark for the Redmen as they began their basketball season, with but one letterman back from the previous year. However after three weeks of practice, Coach Johnny Huebner had picked a group of ten prospective Redmen that were ready for battle. They were: Owen Ernsthausen, Bud Martin, Franklin Titkemeier, Fred Meuser, Tom Bowlus, Lewis Wegman, Paul McCamey, Marion Greulich, Richard Robinson, and Clyde McCoy.

The first game of the 1939-40 basketball season opened November 17, 1939, when the Redmen journeyed to Bradner. The Reds were slow to get started, but in the second half they started hitting, and easily won 28 to 19.

On November 22, 1939, we travelled to Luckey to play a snappy veteran Troy team. The game was hard fought all the way through, with the lead changing hands several times, but finally when the "gun sounded," the score was 20 to 21 in favor of Luckey. It was a sick band of Redmen that returned home, but perhaps they could get some scalps yet!

On November 23, 1939, the Redmen played host to a very strong Bloomdale team. Bloomdale was mighty "hot" that night, and the Reds just couldn't hit. The game ended 32 to 26 in favor of Bloomdale; thus putting two games on the wrong side of the slate. Maybe it was the turkey, who knows.

On December 1, 1939, the Redmen ventured to Perrysburg, to play their old rivals. The Redmen were hitting that night, but so were the Yellow Jackets, and once more the Reds were downed to the tune of 41 to 36.

On December 8, 1939, a veteran Genoa team came over to avenge a defeat by Pemberville the previous year. The game was fought hard all the way through, with the referees blowing their whistles as little as possible. When the smoke of the battle cleared away, the Redmen once more found themselves on the wrong side of the score, 23 to 31.

◀═══ PEMBERETTE, 1940 ═══▶

On December 15, 1939, we received our first real beating at the hands of the Lake "Fliers." This game was fierce. The final score was 25 to 12. However the Redmen were to avenge this defeat as you will read later.

On December 19, 1939, Pemberville returned home to play a fine team from Webster. We were out to win, and with but two minutes to play, the Big Reds were leading by 8 points. Then two of the Redmen were taken out on fouls, and Webster staged an attack that could not be stopped. When the end of the game finally came, we once more trailed 31 to 33.

On December 22, 1939, a dishearted band of Redmen went to Haskins to play one of the toughest teams in the County. The game began with a "bang," and at last it seemed the Reds had found themselves. At the end of the first half, we led 15 to 13. Throughout the second half the battle raged until finally trailing by one point, the Reds had the ball. Could they get that basket? It looked as if they could, for three times they shot, but without success. Then once more the gun sounded ending the game, and we had lost again 37 to 38.

It was December 29, 1939, the Redmen played a return game with Perrysburg, who had formerly beat us 41 to 36. However tonight, the Reds were out for revenge. The game began with Perrysburg taking an early lead. As the half ended, the score was 7 to 12. The second half, the Redmen came from behind, and tied the score with but 30 seconds to play. Perrysburg was unable to score, and the game went into overtime. With less than a minute of the second overtime left, Titkemeier got the ball at the middle of the floor, shot, and Bang! The game was over, Pemberville winning 30 to 32.

On January 1, 1940, Pemberville played the annual game with the Alumni. The Reds did their best, but the Alumni was just too tough, and took the game 43 to 22.

On January 5, 1940, we played our return game with Genoa at Genoa. The game began with the Redmen taking the lead, but gradually Genoa crept up until finally the score at the end of the first half was 19 to 25 in fa-

← ← ← PEMBERETTE, 1940 → → →

vor of Genoa. The last half, several Reds went out on fouls, and Genoa walked away with us 53 to 30.

It was on January 12, 1940, that the Redmen won their first decisive victory over Rising Sun. The boys were really going, and won by the score of 60 to 24.

A strong Elmore team came to play Pemberville on January 19, 1940. The game was a real battle throughout, but once more the opposing team proved too strong, and the Reds dropped this one 30 to 32.

On January 23, 1940, the Redmen played Joe Ryder's team, Portage Township. This team had formerly beaten Webster, and the former Wood County Champions, Wayne. However tonight, our boys were really "doing" their stuff," and ran up the score of 38 to 26 on them.

The strong Wayne team invaded Pemberville on January 26, 1940, to beat our Redmen by the score of 43 to 31. The first half of this game was very close being 23 to 26, but the last half the Wayne team overran our Reds, and once more we were downed, but not defeated.

On January 30, 1940, we played a charity game with Waterville, the proceeds of which go to the infantile paralysis fund. This team is coached by Dick Hagemeyer one of our former Pemberville boys. The best thing we can say for this game was that the boys were just off. Waterville took a commanding lead the first quarter, and retained it to beat the Reds 19 to 30.

It was February 2, 1940, when the Redmen won their fifth game of the season from Walbridge. The Pemberville lads took the lead in the first quarter, and held it the remainder of the game. The final score of this tough game was 36 to 27 in favor of the improving Redmen.

On February 6, 1940, Woodville came to Pemberville to play the Reds. The game was an off-sided affair, with the visitors taking it 34-20.

The final game of the Basketball Schedule of the Redmen, was to be played February 9, 1940, with Gibsonburg. Due to ice on the road, it was cancelled and fi-

nally played March 4, 1940. Gibsonburg took the lead the first few minutes of play, and even though the Redmen played their best, they were never able to catch up. The final score ended up 46-28.

WOOD COUNTY TOURNAMENT

The first game of the tournament for the Redmen was played against Liberty. The game was plenty close all the way through, with the game changing hands several times. With but one minute left to play, we lead by one point. Liberty attacked our defense several times but were unable to score. Finally Martin scored for the Reds, and we marched to a 33-30 victory.

The second game of this tournament was played with Tontogany. This being Coach Johnny Huebner's former school, you can imagine how badly we wanted to take this one. The game progressed slowly, but gradually Tontogany took the lead, and the half ended 16 to 12. The whole second half, Tontogany did not score a field goal, and the Redmen marched to their second victory, 32-30.

The third game of the tournament brought us against the strong Haskins team. During the season, Haskins had defeated us by one point, and with that in mind it looked as if we could take this game, too. In the opening minutes of the game, the Reds took the lead, but as the game progressed, Haskins gained and at the half the score was 15-17. The second half Haskins toughened up, and won by the score of 38-27.

This loss, however, did not eliminate us altogether from the tournament. There was still a chance of winning the consolation, which would mean we would be the fifth team in the county, and could go to the District Tournament at Leipsic.

The first game of the consolation, was played with Grand Rapids. We were slow in getting started, and at the half trailed 16-18. The second half began with a

"Bang," and the battle began anew. This time the Redmen took the lead, and won a close game by the score of 32-30.

The final game in the consolation was played with the Lake "Fliers." During the season, they had defeated us 25-12, so the odds were against us. Lake thought they would have a pushover, but this night our boys were really "strutting their stuff," and showed their superiority by winning 30-25. This victory brought the Redmen into fifth place in the county, and put us in the district tournament at Leipsic.

DISTRICT TOURNAMENT

The first game of the District Tournament was played with Pettisville on February 29, 1940. Pettisville had lost but one game all season and were not to be beaten the night we played them. Pettisville took an early lead in the game, and were not threatened by the Reds at any time. Even though the Reds outscored them the last half, they easily won by the large score of 51-27.

Every year after the Wood County Tournament, there is an All County Basketball Team chosen. One of the Redmen, Bud Martin, was voted on this team. Bud has been high scorer throughout the year, and should be given a lot of credit. Those Redmen receiving Honorable Mention were Tom Bowlus and Owen Ernsthausen.

Thus finishes the Basketball Season of 1939-40. Some people may say it was very unsuccessful, but very few thought Pemberville would end up fifth in the County. I think our Coach Johnny Heubner should be proud of his team's success in the tournament, and should be complimented on bringing a band of "green" Redmen to the position they now hold. Well, here's hoping for more success next year!

OUR GIRLS

"Ezzy," our captain, known and praised by all--
 Is a gal who can really play basketball.
 "Shorty Ellis" is always right in there, too
 It seems there's nothing these two can't do.
 "Campic" contributes a lot toward the score.
 But the fans, persistent, yell, "We want more!"
 "Dorie Mae" is sure of her shots
 And when it comes to height, she helps a lot.
 Last, but not least, comes that little "Hazel Rahe"
 And can she roll 'em in? Hip, hip-hooray!
 And there you have the forwards,
 The old ones and the new.
 But wait, there are more coming!
 That's just half our crew.
 The other "seven" come into view.
 They're just as good as the forwards, too.
 "Marge" starts the list--she has plenty of "steam"
 She's proved an asset to our team.

"Jinny" could use some of "Marge's" height,
But short as she is, she puts up a fight.
Next comes "Jenny," she certainly works hard.
She can play forward as well as guard.
Joann always has lots of "pep,"
And does she fight for Pemberville? You bet!
And what a faithful player is Mabel!
She's always ready, willing, and able.
There was always one thought in "Flossie's" mind,
That to get the ball over the center line.
Margaret could always put up a scrappy game.
For the victory she wanted in Pemberville's name.
And there the guards are presented to you.
But we still have our manager and score-keeper too.
"Rosie" did her job of managing "swell."
Without her, we wouldn't have worked so well.
Credit to Lorna, our faithful score-keeper is due.
The game is over--the girls are through.

OUR COACH

Miss Dickey, our coach, is a good one alright.
She's led us to victory in many a fight
She gives us "pointers" on just how to win
She says, "Do this--it's the way to get in.

She took us to Toledo just for a treat
To "That's Right, You're Wrong," 'cause we didn't get beat.
A splendid dinner was enjoyed by all,
Thanks to her, from the players of Basketball.

We know she's had many trying moments
But we've done the best we could
She gave us a number of "do's and don'ts"
But these we didn't follow like we should.

We wish to thank her for the things she's done.
For all her help in the games we've won
We've had so much fun and we hope she has too
She'll live in our thoughts for our whole long life through.

BASEBALL

The Pemberville Redmon Baseball team opened their 1939-40 season with a group of new talent. With only two letter men returning from last year's State Championship Team, things did not look so bright for the Redmon, but the boys managed to win 6 out of 8 games. The Redmon lost both games to Webster High.

We drew Webster in the opening round of the County Baseball Tournament and were defeated by the score of 7 to 4. This was the first time in four years that Pemberville failed to win the Tournament.

The fall and spring schedule is listed below:

TRACK TEAM

As spring came slowly around the corner, Pemberville Hi Athletes turned their attention toward track. As in every other sport this year, there are very few veterans returning from last year's track team. Only two veterans remained from last year's squad, those two being Harold Martin, a pole vaulter, and Thomas Bowlus, a high jumper.

However, there are several young prospects coming out for track this spring. Some of these include James Alexander, Fred Meuser, Daniel Springer, Gerald Spicer, Fred Wilson, Fred Titkemeier, Howard Wiegman, Donald Damon, Theodore Titgemeyer, and a few others.

This group may not have much experience, but they have plenty of talent and by the time the County Track meet rolls around, P. H. S. should have a fairly well developed track squad.

Coach John Huebner says we will have several track meets this spring with other schools to get in condition for the county meet.

The Pemberville High School Interclass Tournament, under the supervision of Coach J. F. Huebner and Robert Schade, was successfully played in the High School Auditorium on March 14th and 15th.

The first game was played between the Sophomore and 7th grade girls, the 7th grade winning by the score of 14 to 6.

The second game was played between the Junior and 7th grade boys, the Juniors winning 38 to 10.

There were three other games played this same evening. The Freshmen girls defeated the 8th grade girls 9 to 8 in a hard fought game. In the next game the Freshmen boys defeated the 8th grade boys in another closely fought contest. The final game of the evening found the Senior girls playing the 7th grade. The Seniors won this game by the score of 18 to 5.

On the final evening of this tournament the first game was played between the Junior and Senior boys, with Juniors winning by the score of 13 to 22.

The second contest, the semi-final, brought together two evenly matched teams, the Junior and Freshman girls. The Juniors finally won in an overtime period by the score of 17 to 15.

In the boys semi-finals the Freshmen edged out the favored Sophomore boys in hot battle by the score of 15 to 19.

The final contest to decide the champion girls team found the favored Senior girls tangling with the Junior girls. The Juniors won a surprising lopsided battle by the score of 14 to 5.

GUESS WHO?

Tall, not so handsome, and full of the dickens,
When he was a kid he got plenty of lickens.
A very good athlete--the best in the state.
He even can dance and boy, can he skate!

A very good athlete--again I repeat.
There is no one else who with him can compete.
In basketball he's center. He beats the band!
He made the county team, I understand.

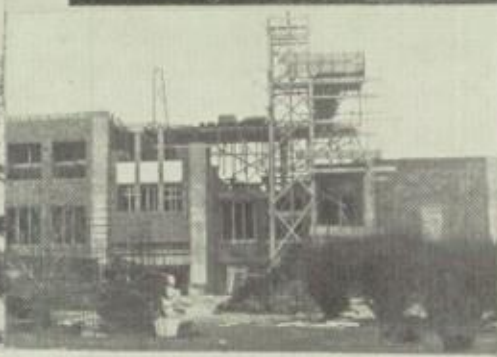

Girls are his specialty. Gosh do they fall!
But he doesn't give a darn--he likes them all.
'Twas not so long ago that he fell too,
But the girl was a three-timer and now they are through.

PLYMOUTH

GARAGE

Witness: "Your Honor, I noticed that this man wobbled about as he walked, but I wasn't sure he was intoxicated until I saw him put a penny in the Patrol Box on Fourth Street, look up at the clock on the Presbyterian Church and say, "Gosh, I've lost 14 pounds."

In Health Class the fourth graders were talking about the inner ear and the outer ear.

Teacher: "Why do we have the outer ear?"

Donald Oberhouse (very soberly): "It's to hold the dirt."
